

**TUTTOTEATRO.COM 2020 PRIZES**  
**THE “DANTE CAPPELLETTI” FOR THE PERFORMING ARTS – fourteenth edition**  
**THE “RENATO NICOLINI” – seventh edition**

**Announcement**

The cultural association Tuttoteatro.com created in 2004 the “Dante Cappelletti” Prize for the Performing Arts, to which was added in 2012 the “Renato Nicolini” award. In 2020 the fourteenth edition and the seventh edition of these prizes will take place under the direction of Mariateresa Surianello.

Through the “Dante Cappelletti” Prize Tuttoteatro.com seeks to promote, publicize and support live performances in their complexity, inventiveness and experimentation by producing new works. The jury will select projects by individual authors or groups, who will be free to develop their own creative method according to their needs of expression. No distinction will be made between categories of artists (actors, singers, dancers, musicians, visual artists), nor will there be a separation of disciplines (dance, music, speech, visual arts). The projects must not necessarily be interdisciplinary, but may concentrate on one discipline alone.

The Tuttoteatro.com “Renato Nicolini” Prize will be awarded by the jury to a personality from the sphere of culture for work on a project, as a curator, or for the support of artistic and cultural activities, who is a renewing force in the interacting dynamics of cultural politics.
